

**Master Biology / possible course of study**

**These are only examples! You have to arrange your own schedule!**

**Example 1**

**Module** **CP**

| <b>1. Semester</b>                   |  | <b>30</b> |
|--------------------------------------|--|-----------|
| Research Skills                      | Course "Research Skills" (3 weeks)       | 6         |
| Focus Subject I / Theoretical Module | Lecture 1                                |           |
| Focus Subject I / Theoretical Module | Lecture 2                                |           |
| Focus Subject I / Theoretical Module | Seminar                                  | 2         |
| Focus Subject I / Practical Module   | Laboratory course (6 weeks) with seminar | 12        |
| Focus Subject I / Theoretical Module | Module examination                       | 10        |

| <b>2. Semester</b>                    |  | <b>30</b> |
|---------------------------------------|--|-----------|
| Job Skills                            | Exkursion <i>and/or</i><br>Job qualifying course <i>and/or</i><br>Internship | 6         |
| Focus Subject II / Theoretical Module | Lecture 1  |           |
| Focus Subject II / Theoretical Module | Lecture 2  |           |
| Focus Subject II / Theoretical Module | Seminar  | 2         |
| Focus Subject II / Practical Module   | Laboratory course (6 weeks) with seminar                                     | 12        |
| Focus Subject II / Theoretical Module | Module examination   | 10        |

| <b>3. Semester</b>                     |  | <b>30</b> |
|--|--|-----------|
| Focus Subject III / Theoretical Module | Lecture 1                                |           |
| Focus Subject III / Theoretical Module | Lecture 2                                |           |
| Focus Subject III / Theoretical Module | Seminar                                  | 2         |
| Focus Subject III / Practical Module   | Laboratory course (6 weeks) with seminar | 12        |
| Focus Subject III / Theoretical Module | Module examination                       | 10        |
| Communication Skills                   | Outline of the master thesis project     | 2         |
| start with Master Thesis               |  | 4         |

| <b>4. Semester</b>   |  | <b>30</b> |
|----------------------|--|-----------|
| Communication Skills | Essay                                    | 2         |
| Communication Skills | Preparation and presentation of a poster | 2         |
| Master Thesis        |  | 26        |

**Example 2**

**Module** **CP**

| <b>1. Semester</b>                     |  | <b>10</b> |
|--|--|-----------|
| Job Skills                             | Exkursion <i>and/or</i><br>Job qualifying course <i>and/or</i><br>Internship | 6         |
| Focus Subject I / Theoretical Module   | Lecture 1  |           |
| Focus Subject II / Theoretical Module  | Lecture 1  |           |
| Focus Subject II / Theoretical Module  | Lecture 2  |           |
| Focus Subject II / Theoretical Module  | Seminar  | 2         |
| Focus Subject III / Theoretical Module | Lecture 1  |           |
| Focus Subject III / Theoretical Module | Seminar  | 2         |

| <b>2. Semester</b>                   |  | <b>42</b> |
|--------------------------------------|--|-----------|
| Research Skills                      | Course "Research Skills" (3 weeks)       | 6         |
| Focus Subject I / Theoretical Module | Lecture 2                                |           |
| Focus Subject I / Theoretical Module | Seminar                                  | 2         |
| Focus Subject I / Practical Module   | Laboratory course (6 weeks) with seminar | 12        |
| Focus Subject I / Theoretical Module | Module examination                       | 10        |
| Focus Subject II / Practical Module  | Laboratory course (6 weeks) with seminar | 12        |

| <b>3. Semester</b>                     |  | <b>38</b> |
|--|--|-----------|
| Focus Subject II / Theoretical Module  | Module examination                       | 10        |
| Focus Subject III / Theoretical Module | Lecture 2                                |           |
| Focus Subject III / Practical Module   | Laboratory course (6 weeks) with seminar | 12        |
| Focus Subject III / Theoretical Module | Module examination                       | 10        |
| Communication Skills                   | Outline of the master thesis project     | 2         |
| start with Master Thesis               |  | 4         |

| <b>4. Semester</b>   |  | <b>30</b> |
|----------------------|--|-----------|
| Communication Skills | Essay                                    | 2         |
| Communication Skills | Preparation and presentation of a poster | 2         |
| Master Thesis        |  | 26        |
